MEMORANDUM FOR: Director, Office of Legislative Liaison  
FROM: Deputy Director of Central Intelligence

At a meeting with Secretary Shultz and Ken Dam on Friday, 6 January, Dam asked that we continue to try to brief Senator Byrd on the Afghanistan insurgency. He was aware that we have tried previously and Byrd's staffers get in the way; however, I would like to complete this action item. Please see if you can arrange a briefing for Byrd only and I will do it.
